June, 2011

Dear Montgomery Bar Association Member,

Once again, it is our pleasure to chair the Lawyer Referral/Legal Access Committee, and ask you to sign up for both the Montgomery Bar Association's Lawyer Referral Service and its Legal Access Project. Details of the two programs follow in this brochure, which also contains the two registration forms.

The Lawyer Referral Service is the program through which any member of the public can contact the Bar Association and be referred to a member in the geographical area of the county requested by the client who handles the client's type of problem. The registration fee is just \$150.00 (\$100.00, if participating in Legal Access) per year, which includes participation in one panel. Joining multiple panels will increase significantly the number of referrals you will receive. Additional panel memberships are \$30.00 each.

The Legal Access Project is the Bar Association's award winning program in which participating attorneys agree to charge no more than \$50 per hour to limited income clients who have problems in selected areas of the law. There is no charge to join the Legal Access Project, and we encourage members to participate.

In 2005, the Directors of the Bar Association adopted a program under which participating attorneys pay to the Lawyer Referral Service 10% of the fees in excess of \$1,500 collected from the client for representation in the matter referred. This extra money now enables us to increase program exposure by way of advertising and instant referrals via the web.

**IMPORTANT:** We request that you update the status of referrals sent to you and in an effort to save postage and paper, updates can be made at anytime, electronically via our website, members only section. ([https://www.montgomerybar.org/members/lrs/open\\_referrals.php](https://www.montgomerybar.org/members/lrs/open_referrals.php)). This is necessary to insure the ongoing success of our program. For those that respond timely, we thank you. For those who do not respond to our request within 30 days, future referrals will NOT be generated until your information is received.

The Lawyer Referral Service is committed to providing the public with quality service and we appreciate your continued, valued participation.

Very truly yours,

Matthew F. Fox, *Chair*

Harvey F. Strauss, *Vice-Chair*

Joanna M. Cruz, *Vice-Chair*

Lawyer Referral/Legal Access Committee

## **LAWYER REFERRAL SERVICE LEGAL ACCESS PROJECT**

Montgomery Bar Members,

Once again, we are offering two lawyer referral service plans, both of which are explained in further detail. We hope you will review these plans carefully and complete the enclosed registration forms indicating which program and panels you would like to participate in. You may participate in both plans in which case you will need to complete two registration forms — one for the Lawyer Referral Service and the other for the Legal Access Project.

We look forward to working with you in the near future!

**PLEASE SIGN UP IMMEDIATELY!!!  
Old registration expires June 30, 2011**

1. All Regular Members in good standing are eligible to register
2. Last Year over 5,000 referrals were received
3. Professionally operated by trained, experienced staff

**MAIL THE ENCLOSED REGISTRATION FORM TODAY WITH YOUR  
REGISTRATION FEE AND PANEL SELECTIONS AND  
PROOF OF PROFESSIONAL LIABILITY INSURANCE**

### **LAWYER REFERRAL SERVICE PLAN**

#### **STATEMENT OF PURPOSE**

The Montgomery Bar Association has established and supported its Lawyer Referral Service as a method to assist its membership in discharging their individual professional obligation to make legal services available to all.

To fulfill this obligation, the Association is committed to advertise and promote the service adequately.

#### **I. CONSULTATION FEE PAID BY CLIENT**

A. A forty dollar (\$40) consultation fee will be paid by the client to the attorney to whom referred. The referral attorney will in turn grant the client a half hour conference to discuss the questions presented and to provide appropriate advice and counsel.

Arrangements for additional legal services and charges may be involved under such terms and conditions as both parties agree to.

B. No fee shall be charged for the initial consultation in a Workers' Compensation case and Social Security case.

C. The LEGAL AID SERVICES may certify over to the Lawyer Referral Service those clients that do not have the Lawyer Conference fee, but that do have a cause of action that would be fee generating. These clients will be referred to counsel who will defer collection of the consultation fee until and unless recovery is effected. The referral attorney will, at his or her discretion, decide if he or she wants to accept the case under a contingent fee arrangement.

#### **II. ATTORNEY REGISTRATION FEE**

A. Any attorney wishing to register as a referral counsel shall pay a fee of One Hundred and Fifty Dollars (\$150.00) (\$100.00 if participating in Legal Access) for one panel per geographical location; Thirty Dollars (\$30) for each additional panel per year, which year shall begin on July 1st.

B. A member of the Young Lawyer Section of the Montgomery Bar Association who participates in the Legal Access Project is entitled to register as a referral counsel at a discounted fee of \$50 for one (1) panel; \$30 for each additional panel per year, which year shall begin on July 1.

C. Any attorney who elects to participate in the program during the year shall pay a registration fee pro rata.

D. In addition to these fees, the participating attorney shall pay to the Lawyer Referral Service of the Montgomery Bar Association, ten percent (10%) of the fees in excess of one thousand five hundred dollars (\$1,500.00) collected from the client for representation in the

matter referred, to be used to defray the costs of operation of the Lawyer Referral Service and the Legal Access Project, to educate the public about the existence and availability of these services, to provide pro-bono legal services, and in other ways solely for the public benefit.

E. The participating attorney shall not raise the normal and usual fees charged to the client to cover any of the fees paid to the Service.

F. The participating attorney shall provide the reports requested by the Service regarding fees earned from matters referred no more frequently than quarterly. Failure to do so will automatically discontinue future referrals until the information is submitted.

### **III. REFERRAL PROCEDURES**

A. Any individual wishing to have the name of an attorney for purposes of consultation under the Lawyer Referral Service may make inquiry to the Office of Montgomery Bar Association by written request, by telephone, or by visit to the Lawyer Referral Service Office, or by visiting the Association's website.

B. Records will be maintained to determine those inquiries made which record shall show the nature of the inquiry and the name of the attorney referred.

### **IV. ASSIGNMENT OF ATTORNEY**

A. The assignment of referral attorneys shall be made in rotation based on the location of their office and fields of practice as follows:

(1) The referral attorney shall complete the enclosed panel registration information form containing his or her name, address, telephone number, municipality of office (for assignment purposes), Supreme Court Number, Foreign Language, and Licensed to Practice Other States and shall further check off the categories by panel of cases which he or she is willing to handle.

These categories are:

**(1) ADMINISTRATIVE LITIGATION MATTERS (2) APPELLATE PANEL (3) BUSINESS & COMMERCIAL LITIGATION MATTERS (4) BUSINESS LAW PANEL (5) CRIMINAL LAW PANEL (6) ELDER LAW (7) EMPLOYMENT RELATIONS (8) ESTATE LAW PANEL (9) FAMILY LAW PANEL (10) INDIVIDUAL RIGHTS PANEL (11) INTERNATIONAL LAW (12) REAL ESTATE LAW PANEL (13) TAX LAW PANEL (14) TORT LITIGATION PANEL.**

The registration form shall also contain an agreement to abide by the rules and regulations of the Lawyer Referral Service.

B. The attorney registration forms shall be cataloged into one of six geographical areas: Eastern Montgomery County, Ambler area, Lansdale area, Norristown area, Main Line area, Pottstown-Collegeville area and Upper Montgomery County, as detailed on the attached list. As a general rule, the client will be assigned an attorney who maintains a principal office in the same area as the client's residence or in such other area as he or she specifically requests.

C. After determining the location of the client's residence or other choice of geographical area, an assignment will be made to the next attorney on a rotation basis who has elected to service the nature of the problem of the inquirer. Any attorney passed over on this rotation basis will retain his or her position awaiting the next client applicant.

D. The applicant will be told to telephone the appointed attorney's office for an appointment and will have any follow-up procedures explained.

### **V. ATTORNEY ELIGIBILITY**

A. All regular members in good standing of the Montgomery Bar Association engaged in the active practice of law in Montgomery County shall be eligible to participate in this Lawyer Referral Program, further providing they have registered for plan participation and paid the annual registration fee, set forth above in Article II.

B. A participating attorney shall notify immediately the Lawyer Referral Service of any change in bar membership or law practice which would render the attorney ineligible under the foregoing criteria or would otherwise change the classifications of services he or she is agreeable to perform.

C. A participating attorney must maintain professional liability insurance, shall provide evidence of this insurance at the time the attorney registers, renews registration and as may be requested, and agrees to notify the Lawyer Referral Service of any changes in insured status.

## **VI. FOLLOW-UP PROCEDURE**

A. When an individual contacts the Lawyer Referral Service, a standard form will be generated including name, address, telephone number, type of case, as well as the name, address and telephone number of the attorney assigned.

B. One copy of that form will be sent to the client; a second copy will be e-mailed or faxed to the attorney assigned; and a record will be retained by the Lawyer Referral Service.

C. Quarterly reports on attorney referrals will be provided. A prompt response to the MBA indicating the status of the referral is required.

## **VII. ATTORNEY PERFORMANCE STANDARDS**

Each attorney to whom a case is referred (referral attorney) is required to conduct himself or herself in accordance with the following standards with regard to any clients referred (referral client) to him or her by the Montgomery County Lawyer Referral Service.

A. The referral attorney shall exercise his or her best professional efforts on behalf of the referral client during the initial conference, as if such client were paying for legal services at the attorney's regular rates. In addition, it is important at the initial conference that the client be treated with courtesy and not be inconvenienced or kept waiting.

B. There is no obligation on the referral attorney, after the initial conference, to handle a case which is not meritorious or to handle it for less than the attorney's normal fee. The attorney should not handle a case where the service rendered would not be of benefit to the client, or for other good and sufficient reasons, and no such obligation is implied by the fact that the case is a Lawyer Reference case.

C. In setting fees for further services after the initial conference, fee arrangement should be discussed, made clear to the client and a mutually satisfactory agreement reached. The referral attorney must also prepare a written fee agreement and have it signed by the parties or should send a letter to the client setting forth the fee agreement, as appropriate in a given case, in order to memorialize the fee agreement. This is important in order to avoid possible fee disputes, and is required by the Rules of Professional Conduct.

D. In the event satisfactory fee arrangements for further services cannot be reached, the attorney should politely and clearly explain to the client the reason for the attorney's position.

E. The attorney is entitled, as with any other client, to protect the attorney's own legitimate financial and professional interests and is not required to charge less than usual rates or be unduly imposed upon by the client. In other words, a referral attorney is expected to treat a referral client equally with, but not better than, regular clients. Normal professional standards should be maintained at all times.

F. The attorney agrees (in consideration of the client's agreement) that fee disputes shall be resolved by the Fee Dispute Committee of the Montgomery Bar Association and that its decision shall be final and binding and may be entered in any court with jurisdiction.

G. It is important that the attorney's conduct at all times bring credit on the Association and the Lawyer Referral Service.

H. The referral attorney to whom a client is referred will conform with the rules of professional conduct applicable to attorneys practicing in Pennsylvania.

## **VIII. SANCTIONS**

The Lawyer Referral Service assumes that, in accordance with the Rules of Professional Conduct and the performance standards set forth herein, the referral attorney will perform the duties of a referral attorney in a professional manner; accordingly the committee considers the following sanctions to be solely a necessary evil.

A. In order to facilitate the orderly administration of the Lawyer Referral Service, the referral attorney must promptly comply with the procedural requirement of the Service.

B. The Lawyer Referral Service Committee shall not undertake to independently enforce the Rules of Professional Conduct nor the customs and courtesies of the practice of law; however, any discipline of an attorney for his or her conduct by the Disciplinary Board of the Supreme Court arising out of a referral case shall result in the referral attorney's name being submitted to the committee for suspension or disqualification as a Lawyer Referral attorney.

# LEGAL ACCESS PROJECT PLAN

## STATEMENT OF PURPOSE

The Project seeks to serve a segment of the population in need of legal services that is neither serviced by the existing legal aid system or lawyers in private practice. Current legal aid standards would disqualify a member of a family of four with a total income of \$27,938 a year. The project seeks to provide limited types of services on an initial basis, and utilize existing personnel so that any administrative cost will be minimal. Lawyers would be recruited by the Montgomery Bar Association and its Young Lawyers' Section, who would agree to provide services at a discounted rate. Through this program, experienced lawyers could perform a public service, and younger attorneys could be matched up with clients who could help build their practice.

Persons eligible for the Project are those applicants whose incomes exceed legal aid standards by \$7,500.00 or less. Thus, a family of four earning a total of \$35,438 per year would be eligible for the program. These figures will vary as legal aid standards change.

## I. COVERED SERVICES

The project will provide the following types of services:

1. Consumer Collection Matters (on behalf of the debtor)
2. Consumer Protection (on behalf of the consumer)
3. Domestic Relations/Custody/Divorce (except Equitable Distribution)/PFA/Support
4. Education/School Law
5. Elder Law - Wills/Living Wills/Power of Attorney
6. Incapacity/Guardianship
7. Landlord and Tenant (on behalf of tenant)
8. Personal Bankruptcy
9. Residential Mortgage Foreclosure (on behalf of the debtor)
10. Tort Defense
11. Unemployment Compensation Claims

## II. ADMINISTRATION

Legal Aid will request information on income levels from applicants. In event that the applicant fails to meet Legal Aid standards but meets those of the Project, the applicant will be sent to the Montgomery Bar Association. Montgomery Bar Association will provide the applicant with the name of an attorney who has agreed to participate in the specialty area involved.

## III. FEES AND RETAINERS

Fees shall not exceed \$50 per hour plus costs. Individual attorneys will be responsible for billing and retainer procedures. While retainers may be charged, the attorney should bear in mind that persons referred through the Legal Access Project have limited means, and are not expecting to be charged a retainer. Therefore, any retainers should be small and reasonable in light of the purposes of the project. Flat fees and non-refundable retainers may not be charged as this would violate the \$50 per hour fee requirement. If a client appears to be having difficulty with the retainer, or balks at payment, the attorney should advise the client that the client may return to the Bar Association for referral to another Legal Access attorney.

## IV. ASSIGNMENT OF ATTORNEY

A. The assignment of legal access attorneys shall be made in rotation based on the location of their office and areas of practice as follows:

The legal access attorney shall fill out a response form containing his or her name, address, telephone number, municipality of office (for assignment purposes), Supreme Court Number, Foreign Language, and Licensed to Practice Other States and shall further check off the categories by panel of cases which he or she is willing to handle. These categories are:

- (1) CONSUMER PROTECTION (on behalf of the debtor)

- (2) CONSUMER COLLECTION MATTERS (on behalf of the consumer)
- (3) DOMESTIC RELATIONS (except Equitable Distribution)
- (4) EDUCATION/SCHOOL LAW
- (5) ELDER LAW
- (6) INCAPACITY/GUARDIANSHIP
- (7) LANDLORD AND TENANT (on behalf of tenant)
- (8) RESIDENTIAL MORTGAGE FORECLOSURE (on behalf of debtor)
- (9) PERSONAL BANKRUPTCY
- (10) TORT DEFENSE
- (11) UNEMPLOYMENT COMPENSATION CLAIMS

The registration form shall also contain an agreement to abide by the rules and regulations of the Legal Access Project.

B. The attorney information shall be cataloged into one of six geographical areas: Eastern Montgomery County, Ambler area, Lansdale area, Norristown area, Main Line area, Pottstown-Collegeville area and Upper Montgomery County, as detailed on the attached list. As a general rule, the client will be assigned an attorney who maintains a principal office in the same area as the client's residence or in such other area as he or she specially requests.

C. After determining the location of the client's residence or other choice of geographical area, an assignment will be made to the next attorney on a rotation basis who has elected to service the nature of the problem of the inquirer. Any attorney passed over on this rotation basis will retain his or her position awaiting the next client applicant.

D. The applicant will be told to telephone the appointed attorney's office for an appointment and will have any follow-up procedures explained.

## **V. ATTORNEY ELIGIBILITY**

A. All regular and associate members in good standing of the Montgomery Bar Association engaged in the active practice of law in Montgomery County shall be eligible to participate in this Legal Access Project, further providing they have registered for plan participation.

B. A participating attorney shall notify immediately the Legal Access Project of any change in bar membership or law practice which would render the attorney ineligible under the foregoing criteria or would otherwise change the classifications of services he or she is agreeable to perform.

C. A participating attorney must maintain professional liability insurance, shall provide evidence of this insurance at the time the attorney registers, renews registration and as may be requested, and agrees to notify the Legal Access Project of any changes in insured status.

## **VI. FOLLOW-UP PROCEDURE**

A. When an individual contacts the Legal Access Project a standard form will be generated including name, address, telephone number, type of case, as well as the name, address and telephone number of the attorney assigned.

B. One copy of that form will be sent to the client; a second copy will be mailed, e-mailed or faxed to the attorney assigned; and a record will be retained by the Legal Access Project.

C. The Legal Access attorney will return his or her copy of the Legal Access Project noting thereon certain information requested. In the event he or she is not contacted within ten days the form will be returned noting that fact.

## **VII. ATTORNEY PERFORMANCE STANDARDS**

Each attorney to whom a case is referred (Legal Access attorney) is required to conduct himself or herself in accordance with the following standards to any clients referred (Legal Access client) to him or her by the Legal Access Project.

A. The attorney shall exercise his or her best professional efforts on behalf of the legal access client during the initial conference, as if such client were paying for legal services at the attorney's regular rates. In addition, it is important at the initial conference that the client be treated with courtesy and not be inconvenienced or kept waiting.

B. There is no obligation on the legal access attorney, after the initial conference, to handle a case which is not meritorious or to handle it for less than the legal access fee. The attorney should not handle a case where the service rendered would not be of benefit to the client, or for

other good and sufficient reasons, and no such obligation is implied by the fact that the case is a Legal Access Project

C. In setting fees for services the attorney should charge no more than \$50.00 per hour plus costs. The attorney is free to charge less. The fee arrangement should be discussed, made clear to the client and a mutually satisfactory agreement reached. The attorney must also prepare a written fee agreement and have it signed by the parties or should send a letter to the client setting forth the fee agreement, as appropriate in a given case, in order to memorialize the fee agreement. This is important in order to avoid possible fee disputes, and is required by the Rules of Professional Conduct.

D. The attorney agrees (in consideration of the client's agreement) that fee disputes shall be resolved by the Fee Dispute Committee of the Montgomery Bar Association and that its decision shall be final and binding and may be entered in any court with jurisdiction.

E. The attorney is required to transmit forms promptly to the Legal Access Project and to meet the procedural requirements of the Legal Access Project.

F. It is important that the attorney's conduct at all times bring credit on the Association and the Legal Access Project.

G. The attorney to whom a client is referred will conform with the Rules of Professional Conduct applicable to attorneys practicing in Pennsylvania.

H. A client who is eligible for the Legal Access Project at the time of the referral may thereafter obtain employment or other income which would make that person no longer qualified for Legal Access. Under those circumstances a Legal Access attorney is not obligated to continue representation at Legal Access rates once the client is no longer eligible. However, a client must be informed of his or her option to stay with the Legal Access attorney at a new agreed upon rate, seek other counsel, or seek a referral to new counsel from the Lawyer Referral Service. The participating attorney is reminded that the Rules of Professional Conduct require that the basis or rate of fee be communicated in writing to the client before or within a reasonable time after commencing the representation, so any basis for changing the fee in light of future increased earnings should be included in that agreement. Further, a lawyer must act at all times in the client's best interest, and should not use an impending hearing or critical stage in the litigation to coerce the client into paying a higher fee.

## **VIII. SANCTIONS**

The Legal Access Project Service assumes that, in accordance with the Rules of Professional Conduct and the performance standards set forth herein, the attorney will perform the duties of a Legal Access attorney in a professional manner; accordingly the Project considers the following sanctions to be solely a necessary evil:

A. In order to facilitate the orderly administration of the Legal Access Project Service, the Legal Access attorney must promptly comply with the procedural requirement of the Project. The failure to comply shall in the first instance result in a written admonition to the Legal Access attorney and warning that repetition will result in loss of a referral turn. A second such failure shall result in the loss of a referral turn. Repeated and flagrant failure to comply with the procedural requirements shall result in the Legal Access attorney's name being submitted to the Project for suspension or disqualification as a Legal Access attorney.

B. The Legal Access Project shall not undertake to independently enforce the Rules of Professional Conduct nor the customs and courtesies of the practice of law; however, any discipline of an attorney for his conduct by the Disciplinary Board of the Supreme Court arising out of a referral case shall result in the referral attorney's name being submitted to the committee for suspension or disqualification as a Legal Access attorney.
