## UNCLAIMED PROPERTY

**The Treasury Department is seeking the owners  
of over \$1 billion in unclaimed property.**

Each year, in accordance with the state Disposition of Abandoned and Unclaimed Property Act 72 P.S. § 1301.1 (2007), the Pennsylvania Treasury Department receives millions of dollars in unclaimed property from abandoned bank accounts, forgotten stocks, checks that have not been cashed, certificates of deposit, safe deposit box contents, life insurance policies, and other sources. Treasury maintains custody of unclaimed property, while working hard to return it to its rightful owners.
